# WELCOME TO JUICY AND CRISPY

## Short History

In the year 2008, on a quiet narrow road side in Sanur village, the seed of **"Juicy and Crispy"** was planted.

Ibu Ketut, the founder, found her passion in cooking and serving food, after working for 6 years in a restaurant.

She started a tiny Balinese warung by the name **"Warung Yannik"**.

The main dish, Ayam Betutu (chicken in Balinese spices), served with rice and "Sambal Matah" (Spicy sweet and sour Balinese sauce) that became very popular among locals.

After Ibu Ketut's travel to Europe, she had a big wish to present the smell and sight of fresh roasted chicken, rolling on spears with low flame in a rotisserie machine, that she had experienced in the corner of a local morning market in **Alsace in France**.

Four years later in 2012, Ibu Ketut made her intentions come true. A Rotisserie grill was installed in front of the **"Warung Yannik"**. With excitement and many, many test roastings to find out, how to spice and grill a chicken to perfection, the **"Warung Yannik"** changed the name to **"Juicy and Crispy"**.

The name of the brand was established in 2012 and refers to the fact that the best quality of grilled chicken must be juicy inside and crispy outside.

After a few years "Juicy and Crispy" had built up a good reputation and now offers a wider range of food and drinks and still offers the authentic "Sambal Matah" for the roasted chicken.

*"Juicy and Crispy" has become a well-known meeting point for local people, expats and domestic and international tourists as well.*

*Enjoy your meal  
and drink.*
